Make a Difference

Our small community is growing steadily. As our membership continues to grow, we have a need for larger facilities - additional space to worship and to teach our children the Greek traditions and heritage.

We ask for your support in making the larger facility a reality. This facility will have the space for all members to worship and additional space to accommodate our growing youth community. We'll be able to provide for all organizational meetings and for our children's education and needs. A fully accessible facility will foster a more cohesive congregation.

The addition of this facility will benefit all members as well as those in the surrounding communities.

Please help St. John's. It will change our lives and the lives of our children forever.

Golf Tournament Details

The tournament will be a four-man scramble. Special contests will be featured at many holes:
